Greetings from Santa's Workshop, _____!
(Child's Name/Nickname)

It's been rather exciting here at the North Pole, as some of the elves and our other winter buddies have been busy working on a new sleigh! Sadly, the other reindeer won't be able to make the trip this year, so it will just be Rudolph and I jetting into _____ to deliver goodies to your _____ for Christmas!
(City/Town/State) (House/Apartment)

Of course, we have also been working very hard making sure all the presents are ready for the good boys and girls. I am so glad to see your name on the Nice List and that you have been a good _____ this year!
(Boy, Girl, Student, Helper)

Your _____ told me that you are _____ old now...my goodness, you are growing up quickly!
(person(s) sending letter) (age of child)

And _____ also told me that you would like to have a _____ and a _____.
(person sending letter/he/she/they) (Present 1) (Present 2)

I will see what I can do, as long as you keep working hard _____
(Activity 1 - Helping around the house/good grades)
and continue to help _____
(Activity 2 - Chores or sports)

Well, I am going to go check on the elves and our friends to see if the sleigh is ready for a test flight, so I can be back in time for the delicious meal Mrs. Claus is preparing for us for dinner.

I would like to tell you to try to stay up this year to see the new sleigh, but it will be way too fast to see, so make sure you still go to bed early. We would appreciate it if you would wish us safe travels though and make sure to also always be kind and loving to everyone, especially _____.
(Family/Friends/Loved ones)

We all wish you and your family a very Merry Christmas and a Happy New Year!

Love, Santa
