Dear _____,
Child's name or nickname

Can you believe it is almost Christmas already? Mrs. Claus and I feel like we just got done going through last year's lists, but here we are again keeping busy checking who is on the Naughty and Nice lists for this year. With help from the elves, and loved ones, like your _____, we know when you are doing nice things, but we also see when you are naughty too! All of us here at the North Pole enjoy watching you _____ and _____. It makes us smile and we hope you continue being a good _____.
Activity 1 Activity 2 Boy/girl/student/helper

The elves also are a big help by making all the presents and getting the sleigh ready, in fact, my sack is full of toys, clothes, electronics, books + games. There is even a special surprise with the name _____ on it for me to put under the Christmas tree for you, maybe a _____ or _____.
Child's name or nickname Present 1 Present 2

Don't forget to leave treats out at your _____ in _____ on Christmas Eve for myself and the reindeer. It is amazing how hungry we get spreading Christmas Magic to all the good girls and boys, like you, all over the world.
House/Apartment City/Town/State

It would fill my heart with joy to see you being cheerful and kind, using your manners and smiling more this holiday season and continue to be a blessing to your _____. Mrs. Claus and I wish you and your _____ a very Merry Christmas and a Happy New Year!
Mom/dad/Siblings Family/friends/loved ones

Love, Santa
