

# We now offer mobile banking! Just follow the steps below to access your account through your Smartphone!

1. On your phone, go to the Central Nebraska FCU website (<http://www.cnfcu.com/index>).
2. Once you are on our website, in the URL at the top of the screen, replace the word “index” with “m” (make sure to leave the / when deleting index and replacing with m). See below for an example:

3. Press Search or Go on your phone – you will then be taken to the mobile banking Home page where you can login as normal to your online banking account.
